님이 오시는지: **Wondering If My Love's Coming**

Isn't it my love who's coming through the moonlit lane afar,
Huggin' around the riverside with forget-me-nots dreaming?
Aren't they his steps, the drafts from beds of reeds rising?
Are they not his song, the babbles of streaming water?
As my heart's in solitude endlessly wandering,
And winds but get chilly, I wonder if dawn's coming near.

Isn't it my love who's coming through the moonlit path afar,
Passin' by field of lilies dreaming?
With the sounds of her grass-stained dress dragging,
Is it not my love coming through the fragrances of flower?
As my heart's in trembles endlessly lingering,
And with the rising winds, I wonder if dawn's coming near.

10월의 어느 멋진 날에: A Wonderful Day in October

**Though it's hard to wake up early,
The sky is clear, and I feel alive.
A gentle holiday morning call wakes me—
What shall I do today?
I feel the breeze outside, so full of love.
Now that I'm with you, I need nothing more.
How could I wish for anything more?**

**Sometimes I fear you'll fade away,
Like in the dream I had last night.
But it's my prayer to see you near,
To hold your hands and never part.
Forever, stay with me.**

**I feel the breeze outside, so full of love.
Now that I'm with you, I need nothing more.
How could I wish for anything more?
You're the reason why I live**

아리랑: Arirang

**Arirang, Arirang, Arariyo,
Over the Arirang Pass I go.
The one who left me in despair,
Shall stumble in pain ere they journey far**
